## Stone Conservator

ReCoop – Architecture and Fine Arts, the nation's premiere firm for architectural and fine arts conservation and restoration, has immediate openings for Architectural Stone Conservators. We are offering short-term and long-term opportunities in Malta to work on 16<sup>th</sup> Century fortification walls which make part of the UNESCO world heritage site, Valletta.

ReCoop seeks skilled Stone Conservators. Duties include written and photographic documentation and treatment of limestone. Will perform skilled tasks requiring; manual dexterity, being unafraid of heights, concentration and aesthetic sensitivity. Seventy percent of the job is conservation and restoration, and the balance is managing the section assigned, weekly meeting to discuss work flow, supervising support personnel, condition and treatment reports, stock control of conservation materials.

Minimum Qualifications: graduate degree from a recognized program with 2 years experience in stone conservation and restoration, citizenship in a EU member state; fluent in spoken and written English, strong interpersonal skills. An independent worker, selfmotivated and deadline driven.

Positions offer competitive compensation and the opportunity to work for a company that produces exceptional work. Please e-mail [paul.muscat@recoop.com.mt](mailto:paul.muscat@recoop.com.mt) (subject line "Stone Conservator") attaching; Covering letter, resume', supporting materials and references. Selected candidates will be invited to interview and asked to submit a portfolio of projects. For more information about us visit [www.recoop.com.mt](http://www.recoop.com.mt). No phone calls please.
