What's new since last month

[Heritage Science: Mora Sample Collection](#)

ICCROM holds a valuable collection of material samples donated by Paolo and Laura Mora, internationally renowned conservators involved in the coordination of ICCROM's Mural Painting Conservation course along with numerous technical missions and campaigns. Interested professionals (scientists/conservators/archivists) with experience in this type of work may prepare a proposal for the reorganization and description of the Mora sample collection – deadline 31 July 2017.

[Course report – Linking Nature and Culture, Røros Mining Town](#)

The International Course on Linking Nature and Culture in World Heritage Site Management took place at Røros Mining Town and the Circumference World Heritage Site in Norway from 6 to 16 June 2017.
