HERITAGE MANAGEMENT IN LATIN AMERICA AND THE CARIBBEAN

ABOUT THE PROGRAMME

Latin America and the Caribbean are home to a **vibrant heritage**.

This includes diverse and prominent **contemporary cultural expressions**, World Heritage sites, ancient cultures and subcultures, **strong links to the environment**, and **rich indigenous knowledge reserves**.

This **heritage is vulnerable**, and in the face of increasing threats, management becomes essential to ensure its **continuity**, and create more **resilient communities**.

Heritage Management in Latin America and the Caribbean (LAC)

Click here

promotes the integrated and sustainable management of the region's heritage, with a focus on major issues such as contemporary heritage.

We are creating **people-centred approaches** to heritage management, training professionals and providing them with **tools to support decision-making**.

Culture-nature integration will ensure **effective conservation** and **sustainable use**.
