

ICCROM

THE ICCROM LIBRARY

ABOUT THE LIBRARY

Established in 1961, the ICCROM Library is the **leading conservation library in the world.**

Our mandate to collect, study and circulate information is embedded in **Article 1** of **ICCROM's Statutes**.

Our collection of materials for the study of cultural heritage conservation and restoration spans more than **72 languages.**

The online catalogue contains **125,000 entries** and counting.

Learn more

We support the international community of **heritage researchers** and **practitioners** by maintaining and building a multilingual **collection of resources** in a variety of formats.

We offer the following services:

- **Document delivery** 
- **Reference requests** 
- **Bibliographic research** 
- **Open access resources** 
- **E-book lending** 

Eligible students and heritage professionals can access all our **electronic resources** using one of **200**  **OpenAthens accounts**.

“

ICCROM Library greatly assisted my dissertation research on fire and cultural heritage in southern Italy

”

Lauren Pearson, USA,
ICCROM Library User

“

If I managed to write 15 articles and a book on Papyrus restoration, it's thanks to the well-stocked ICCROM Library. The staff is highly qualified, efficient and very approachable!

”

Paola Boffula Alimeni,
Italy, ICCROM Library User

We thank all our users
and welcome you in the Library - virtually or in person!
