

INTERNSHIP TERMS OF REFERENCE

ICCROM (International Centre for the Study of the Preservation and Restoration of Cultural Property) is an intergovernmental organization with headquarters in Rome, Italy. Founded by UNESCO in 1956, it is the only institution of its kind with a worldwide mandate to promote and improve the conservation of all types of cultural heritage through training, information, research, cooperation and advocacy.

The internship programme was launched in 2002 to meet the growing number of young professionals seeking to gain exposure to the activities of an Intergovernmental Organization specifically concerned with the diverse aspects of cultural heritage. Since then over 150 interns from a third of our 137 Member States have carried out an internship and benefitted from the unique opportunity of interacting with staff, research fellows and heritage professionals on subject matters of their interest.
