COSTA RICA

Costa Rican National Assembly Declares the "Guanacaste Quijongo" Cultural Heritage of the Nation

The Guanacaste Quijongo is a musical instrument made up of a two meter long rod from the tree called "Guácimo de Calnero"; a rope tied end to end, a sound box, a plains jicaro and a handkerchief. It...

INDIA

What is the future of heritage conservation?

Nayana Kathpalia has lived across the road from south Mumbai's iconic Oval Maidan since the day she was born. Over time, from the window she still sits at, the 77-year-old watched it transform from a...

FRANCE

Fearing Climate Change, the Louvre's New Conservation Center will Hold One-Third of the Museum's Entire Art Collection

In 1910, there was the Great Flood. It raised water levels eightfold. People standing down streets in makeshift rafts there is a...
